Subject: Patriot Consent Decree

Just got off a call with HQs folks (mostly OSWER, I think, check that participant list) on the Coal Slurry Spill. I mentioned the Patriot consent decree, and that they (Patriot) had reported to you all, and provided some data indicating sampling for MCHM. Folks are very interested in the Consent Decree, and looking for a link to it. I have been asked to send the info you to Steve Hoffman, who is in OSWER. I think it would be better if you made the contact, and provided the link (if there is one). Let me know.--Vicky
